

Archimedes Character Map

Connect important ideas to the head, famous quotations to the mouth, feelings and friendships to the heart, and places traveled to the feet.

Archimedes Character Map Teacher Options:

- 1. Use as an individual worksheet after completing class discussion.**
- 2. Enlarge Archimedes image to 200% on 11 x 17 paper to make mini-posters for individuals or pairs.**
- 3. Make into an overhead transparency for class discussion and review.**
- 4. Have students reproduce the image on a poster, and use as a small group jigsaw activity.**
